

THE LANTERN RUN

GUIDE

We're excited to have you be part of our first Lantern run!

Lantern Run was designed as a more private, personalized run.

We strip away a lot of the excess of check-in, after-parties, large crowds, music & DJ, and some of the conventional productions of a typical race.

This way it allows you to just focus on the run and not a lot of the other commotion.

Note the run was designed for individuals and small groups to run at their own pace and time.

Please read through this guide carefully for everything you'll need to know for the event!

**Each run is small, capped at 25 participants*
